Dear Supervisors:

**THE DEPARTMENT OF COMMUNITY AND SENIOR SERVICES: APPROVAL OF
FISCAL YEAR (FY) 2007-08 APPROPRIATION ADJUSTMENT FOR DISPUTE
RESOLUTION PROGRAM (DRP) AND AMENDMENTS TO EXTEND THE
DISPUTE RESOLUTION PROGRAM FOR FY 2008-09
(ALL DISTRICTS AFFECTED) (4-VOTES)**

SUBJECT

The Department of Community and Senior Services (CSS) is requesting approval to amend current Dispute Resolution Program Service Providers' contracts to extend the contract term for an additional 12-month period from July 1, 2008 through June 30, 2009, at the funding level of \$2,572,896, and to obtain approval for an appropriation adjustment in the amount of \$139,000 to meet contractual obligations with contractors for the remainder of FY 2007-08.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Appropriation Adjustment of \$139,000 to provide funding for DRP for the remainder of FY 2007-08. (Attachment I)
2. Approve the funding allocations to continue DRP services in the amount of \$2,572,896, to the currently funded service providers in the amounts shown on Attachment II and extend contracts for a period of 12-months commencing July 1, 2008 through June 30, 2009.

3. Delegate authority to the Director of CSS, or designee, to execute the contract amendments substantially similar to Attachment III, with the 14 service providers indicated on Attachment II, in the amounts indicated for the continued provision of DRP services. The amendment will extend the contract term for an additional 12-month period July 1, 2008 through June 30, 2009.
4. Delegate authority to the Director of CSS, or designee, to execute contracts amendments to increase or decrease original contract amounts based on contractor performance and availability of funding provided that: (a) the amount of change does not exceed 25 percent of the original contract amount; (b) approvals of County Counsel and the Chief Executive Office (CEO) are obtained prior to any such amendment; and (c) the Director of CSS, or designee, confirms in writing to the Board of Supervisors and the CEO within 30 days after such amendments have been executed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The DRP provides dispute resolution services through mediation, conciliation, arbitration, and facilitation. The types of disputes include, but are not limited to: landlord and tenant, business and business, consumer and merchant, neighbor and neighbor, employer and employee, minor criminal matters, personal injury, ethnic/racial conflict, victim and youth offender, and family relations.

The request for an appropriation adjustment is needed to cover the FY 2007-08 DRP and will increase the current appropriation from \$2,200,000 to \$2,339,000 to allow contractors to provide the contracted level of service.

The request for one-year contract extensions with 14 current service providers will enable CSS to continue the operation of DRP for FY 2008-09. The DRP Service Providers' contracts will expire on June 30, 2008. CSS is recommending an extension of the current DRP contracts to avoid any interruption of services while the 2009-14, five-year funding cycle Request for Proposal (RFP) is completed. CSS needs additional time to assess and evaluate program priorities, Administrative Office of the Courts (AOC) initiatives that affect court program design, develop and redesign program templates, and incorporate State Legislative Initiatives to complement and enhance the current delivery of DRP services. CSS anticipates releasing the RFP in October 2008. The State Department of Consumer Affairs has concurred and will allow CSS to extend the current contract from July 1, 2008 through June 30, 2009.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan and supports Goal 1 Service Excellence and Goal 4 Fiscal Responsibility by providing easy access to services and increasing public/private partnerships.

Performance Measures

In accordance with the Dispute Resolution Programs Act (DRPA), Business and Professions Code Sections 465-471.5, and DRPA Regulations, contract program goals measure the following elements:

- Number of clients served;
- Number of cases resolved; and
- Client follow-up/customer satisfaction survey on the services provided.

FISCAL IMPACT/FINANCING

A special fee of \$8 is assessed on certain civil court filings and is deposited into the Alternative Dispute Resolution (ADR) Trust Fund, which is used to finance the DRP. There are sufficient ADR Trust Fund dollars to cover the requested appropriation adjustment. There is no impact on the County's General Fund and funding has been included in the Department's current year budget.

The estimated FY 2008-09 costs for the DRP Service Provider contracts is \$2,572,896. Funding for this program is fully financed by civil court filing fees and is included in the Department's FY 2008-09 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The current contracts are scheduled to expire June 30, 2008. CSS plans to release an RFP by October 2008 to solicit proposals from agencies that are interested and can provide dispute resolution services. This solicitation will result in a three-year contract term that may be extended, at the County's discretion and contingent on contractor performance and availability of funds for two additional one-year terms. The new contract term resulting from the October 2008 solicitation will run from July 1, 2009 through June 30, 2014, and is consistent with California DRPA, Business and Professions Code Sections 465-471.5, and DRPA Regulations.

All agencies recommended for funding with this action have been performing at or above contractual requirements. County Counsel have reviewed and approved the amendment as to form.

CONTRACTING PROCESS

All agencies being recommended for funding were all successful bidders in this RFP process conducted by CSS in February 2003. A total of 14 agencies listed in Attachment I have performed at or above the contractual requirements and are being recommended for continued funding with this action.

Monitoring

Fiscal and contract program monitoring is performed by CSS program staff. In addition to the contract monitors, DRP program specialists conduct a minimum of two site visits per contract term to review administrative and case files, review and approve monthly fiscal invoices, follow-up findings, review client follow-up surveys, review fiscal invoice documentation on-site, and review monthly program and case information reports.

IMPACT ON CURRENT SERVICES

The recommended actions will allow for the continuation of DRP. These services offer alternative to formal court proceedings and a peaceful means to resolve disputes. The DRP eases court congestion by diverting cases from the civil court calendar thus helping mitigate court backlogs.

CONCLUSION

It is requested that the Executive Office of the Board of Supervisors return one adopted copy of this Board letter to the Director of CSS.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer
